CAMP reachAbility

a whole week
at camp in the
Valley.

Camp Reach Ability is committed and prepared to offer individuals with cognitive and physical disabilities the best summer camp experience in partnership with the Department of Community Services in providing a residential camping service to individuals who may not otherwise have this opportunity.

Anton had a great time at camp last year, so much so that he told the camp counselors that he wanted to

be a camp counselor. The camp wanted to help Anton fulfill his wish and implemented a Jr. Counselor program. This involved learning how to assist the senior counselors. Anton went for a week of training. He learned about leadership, motivation, communication, sports, crafts and more.

Anton was able to complete the training program and has been hired for

Taking part in this program has really boosted Anton's self confidence and esteem. He is really excited to be in a leadership role, and being paid is a bonus!

Ladies in the HEART program exercising on equipment that was donated a few years ago.

LIONS GENERATE GOOD NEWS!

The Chester Basin/New Ross/Chester Lions Club does a great deal to generate revenue to help individuals and organizations such as ours. The Lions have helped us to serve the participants with items

that are not funded by our usual sources . This year the Lions donated a generator for Hamilton House. With the unpredictability of the weather these days, the power can go off anytime. Living in a rural

setting means that no water is available. In a home with 6 adults and a counselor having no washroom is a significant challenge. The new generator will make the household a safer and happier place until power is restored.

“I am of the opinion that my life belongs to the community, and as long as I live, it is my privilege to do for it whatever I can.

George Bernard Shaw

The Lions along with Susan Collins who lives at Hamilton House.

CASUAL DINING!

For several years, participants have been packaging plastic cutlery and condiments for the Lunenburg & District Fire Department. This year, 1,500 were done

for the firefighters annual fund raiser.

Debbie and Blair along with a member of the fire department who came to pick up the order.
