Mary's Success Includes You!

Our Direct Mail Campaign Chair, Starr Dobson, Producer and Co-Host of CTV's Live at Five, shares Mary's story with you.

"Mary was born in rural NS in the early 1950's. She had significant hearing & speech impairments, was diagnosed with Down syndrome, and became identified as intellectually challenged. Mary lived at home until her parents were no longer able to care for her. Fortunately, Mary came to Bonny Lea Farm where she learned many skills, and gained many new friends.

Mary

Mary's success is due to three important factors:

- 1) Her determination***
- 2) The guidance of her program team***
- 3) and You!***

Quite bluntly, Mary and Bonny Lea Farm would struggle without our loyal and generous donors. I hope that you will consider continuing to support our great work on behalf of those living with disabilities."

“Reflections - Part 1”

What is it about Bonny Lea Farm that you believe in strongly?

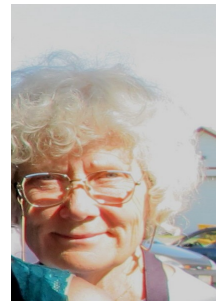

“I believe in the happiness I see at the Farm! It is possible to take people with disabilities and make them much happier than all of us living out in our own surroundings.” **Kim Geldart**

“I believe in the participants being able to lead productive lives, and being able to enjoy the pleasures of life not otherwise available to them.” **Hiram Carver**

“I believe Bonny Lea Farm reflects a different and meaningful approach to the support and management and care of people who are challenged.” **Barb Carthew**

“I first believed in Bonny Lea Farm with my head, because it was such a worthy ‘cause’, but since I have come to know better the lion-hearted people who live and work there, I believe in Bonny Lea Farm with all my heart, because I believe in them.” **Mary Ellen Clancey**

“I believe strongly in Bonny Lea Farm because it not only serves a need, but does so in the highest quality, and compassionate way possible.” **Kevin Healy**
